THE TAP END X TISSINO

We're proud to work with a nationwide network of premium bathroom showrooms and installers to ensure your dream bathroom is perfect from planning to execution.

This stunning project from Zoe Curtis at The Tap End, won her Bathroom Designer of the Year in the 2023 KBB awards, for it's beautiful aesthetics and clever use of space.

The client's brief was to have a "pretty and feminine" feel to the room but without utilising the colour pink, as well as ideally a separate bath and walk in shower- something they hadn't thought possible.

In order to achieve this stunning design, Zoe opted for our Brushed Brass finishes paired with Cosenza furniture in Natural Oak for a luxurious look. With the clever use of the shower next to the bath to maximise space, the bathroom met the clients brief, with a beautiful end design.
